Welcome and thanks for being part of the student voice.

New business

- What is going well at Act Fast
- Student Voice – Workshop is working well, The lessons are more challenging and enjoyable.
- The activities have been better this winter period because lots more enjoyable.
Response-Passed onto all staff during briefing

What is not going well at Act Fast

More room in the workshop
Would like indoor area at school to cope with the bad weather

You said we did

- Students Voice- Couple of CRF's
- More workshops space
Response- Container purchased to store excess equipment
- Students Voice- Is there any way of printing stickers for the bikes to spice the bikes.
- Response: To liaise with J.D to design stickers during lesson

Future planning

- Students Voice- Can we arrange bike training from Leighton Haigh or other to teach learners to motocross

Response: date to be arranged with Leighton and Kieran

We did – Arranged for Isle of Man TT 3 x winner, JM to visit the school to inspire students: Date booked for 11/03/2022

Motorbikes.

Student Voice- Can we look at bikes for the FE (Further Education) cohort that differ from the TTR's

Response

Pit bikes- Purchased x2 140 pit bike for the FE and race team. Asking for more bikes so that they can experience working on more powerful bikes.

Students Voice- English and Maths exceptionally good now,

Response: We have responded to the Ofsted report and the student voice by included a broad and challenging curriculum leading to the GCSE exams.

Students Voice- Uniforms – Hoodies, T-shirts, and hats for new year

Response: Purchased the T shirts for printing, JD to lead.

- Students Voice- Would like to have more trips
Response: NEC trip organise to discover career opportunities in the motor vehicle industry and discover innovative technology Planned trips
- Students Voice- Could we get a starting gate to practice for racing
Response: Purchase start gate before the race season begins.

:

Student voice- Change the track when the weather gets better

Response: Design drawn up.

Student Voice: Can we have some medium size goal post specifically for the Hub, also a basketball hoop.

Response: CS to Order the Samba fold a goal multi size net page 862 ESPO x166297 Nets in, awaiting goal posts.

Student Voice- Instead of the 140's could we use 85's to work on and ride also the Honda 150cc

Response: JH to send details to K.S and arrange viewing and purchasing

Student Voice- Students are asking for extra English and maths

Response. Extra Maths and English introduced to the afternoon activities. Students do not want home.

Student Voice: Would like to achieve more in Mechanics for FE

Response: Mechanics club time designated onto the timetable.

Student Trail riding school trip to the indoor motocross track?

Response: Private hire £1000, too expensive
